

PARKING LOT STRIPING

APRIL 6, 7, & 8 (rain date 4/9)

Vehicles must be removed by 8 AM on the day the work is scheduled in the areas designated. No parking 8AM-4PM.

Go to: www.crossfoxcondos.org for maps of where and when work is taking place (and when your car cannot be there) and the new parking rules.

Weather permitting, American Striping will be re-painting all the parking spaces, fire lanes, removing Permit Required lettering, and stenciling the assigned parking space numbers on Tuesday, April 6th, Wednesday, April 7th and Thursday, April 8th (with a rain date of Fri., April 9th). Once the striping is complete, the new parking rules and regulations will take effect.

Vehicles must be removed by 8 AM on the day of the work is scheduled in the areas designated.

- **Vehicles that are not removed will be towed and relocated.**
- **This work will take the majority of the day to complete.**
- **Once all the paint and stenciling is complete, the paint will need to dry for ONE HOUR before cars can use the spaces.**

We understand this is a huge inconvenience, especially due to the pandemic and how many people are working from home. We wish there was a way to do it without moving cars, but there is not. We need your cooperation to complete the work in a timely and efficient manner.
